

*Eaton Rapids Photo Club
General Meeting
November 21, 2006*

17 members present. No guests.

Carla gave a reminder that only one photo can be submitted in our contests currently; in January we will change that rule.

There will not be a December meeting. January meeting will be a potluck on Jan. 2, 2007 at 6:30 pm—bring a dish and your self-portrait photo. The club will provide the meat and “paperware”.

January Meeting--Special Contest Topic: Self portrait (not showing your own self)-Can be any size, and doesn't have to follow other contest rules. We will still have other contest categories—open, landscapes, unusual perspectives. Everyone can participate in the self portrait category, and can bring 2 entries for other contest categories; one photo limit for each category.

Questionnaires are being distributed—they can be anonymous; we have 3 months to fill it out. Please take your time and feel free to expand upon the answers. All questionnaires will be reviewed by board.

Presentation by Ken and Julie Roggow on travel photography. A Hi-Definition television was lent to them by O'Neil Audio and Video/Sony Showcase in Lansing.

Sandy Howell showed a photo book which she had made at www.Shutterfly.com featuring her fox photos. MPix also does this.
